To place an order, please refer to the last page.

Special cancels, and the cover they are tied to, are illustrated in this price list. Requests for a specific stamp(s) on the envelope or for a certain position of the cancel cannot be accommodated. I aim to have covers with clear cancels, but as the covers are cancelled by hand this is not always possible.

If an item is not listed, I do not presently have it in stock. However, these lists are regularly updated, with collectors on my mailing list advised of any updates. Please visit stamps.chrisdehaer.com.au/newsletter to sign up to my mailing list.

All covers are produced using **gummed high quality envelopes** (unless noted otherwise), and are carefully packaged for mailing. Please note, that due to the size of some of these items, extra postage may be required. I will advise the cost of postage when confirming your order.

Prices subject to change without notice. All prices are exclusive of GST. GST is not applicable.
